Invest in the Best!

NEW!

A. Model 1060GT High-Security Cash Drawer

- First and only manual cash drawer to offer the security measures formerly found only on electronic cash drawers
- Tested and qualified to 3 million open/closing cycles – surpasses the lifecycle of a typical cash drawer by over 2.5 million cycles!

Next-generation cash drawer features three media slots ideal for today's transactions – depositing and storing larger currency, credit card receipts, and checks. Designed as your customers new front line in reducing cash shrinkage, **LockIt™** intergrated cash drop compartment, enables cashiers to secure cash quickly and keep pilfering fingers away from large bills. Patent-pending global till cash tray is adjustable for Canadian currency or other international currencies. Drawer automatically opens when the button is pushed, activating the alarm bell. A key drawer lock provides protection when the drawer is unattended. Heavy-gauge steel construction with scratch-resistant finish stands up to daily use. Rubber feet prevent slipping and scratching. Under-counter mounting brackets, two drawer keys, and two **LockIt™** cover keys included. Black color.
