A. Model 1060 Touch-Button Cash Drawer

- High quality construction makes this cash drawer ideal for retailers, banks, currency exchanges, and small businesses
- Extra-wide cash trays accommodate large denomination bills, numerous checks or foreign currency

Removable high-impact plastic cash tray switches out easily and is available with two locking cover options: flat key (keyed alike) or disc tumbler security lock (keyed differently). Tray features five spring-loaded bill weights to keep currency secure and five round-bottom coin trays for easy scooping. Drawer automatically springs open when release button is pushed, but only when key is in unlocked position. Alarm bell sounds each time drawer is opened or it may be easily disengaged. Constructed of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to everyday use. Under-counter mounting brackets, two drawer keys, and two cover keys included. Replacement cash trays available.
