

A Copy #2

A Copy #1

A. Easel-Style “Funds Availability Policy” Plexiglas Signs

- Signs comply with Federal Reserve Regulation CC requirements
- Display in teller areas, reception desks or on customer counters

Signs meet Federal Reserve Regulation CC requirements and feature non-slip feet that won't mar counters or slide off slick surfaces. Copy is silk screened in white ink on black background. Available in type style shown with two choices of copy:

Copy 1 - “fifth business day” is standard on second to last line of copy
 Copy 2 - “electronic direct deposits” is specified within policy

Choice of English or Spanish versions available.

Model No.	Standard Copy	Language	Color	Dimensions	
				W	H
283510004	Fifth Business Day	Copy 1 - English	White on Black	6"	9"
283510104	Electronic Direct Deposits	Copy 2 - English	White on Black	6"	9"
2835101S04	Electronic Direct Deposits	Copy 2 - Spanish	White on Black	6"	9"

B. Easel-Style “Closed” Plexiglas Signs

- Signs are clearly visible from a distance and perfect for teller windows

Sturdy Plexiglas signs immediately distinguish that window is “CLOSED” from a distance with large silk-screened white ink on black background. Choice of FDIC or NCUA logos to accompany standard copy. Rubberized non-slip cork bases won't mar counters or slide off slick surfaces.

A. USA Patriot Act Compliance Easel-Style Signs

- Plexiglas signs can be placed on desks, teller windows or countertops

All financial institutions must notify customers of identity verification procedures in order to comply with the law. The definition of “financial institution” is not limited to just banks and saving associations, but rather includes a sweeping array of businesses. Signs are available in two types of verbiage: **Important Information about Opening a New Account & Customer Identification Requirements.**
