

A. Self Storing Counter Calendar

- Helpful calendar unit for customers making date-sensitive transactions
- Ideal for banks, retailers, office lobbies, hotel lobbies, tuition offices, unemployment offices, will call counters, temp agencies, or financial institutions

Perpetual calendar features a complete set of Day-Month-Date inserts that remind your customers of the correct date for checks, contracts, and other important documents. Sturdy, brushed aluminum base has a removable box top that allows storage of changeable date inserts and features non-slip bottom (available with double-coated adhesive base on request – specify when ordering). Unit is available in choice of Silver or Black and single-face or double-face models.
