

Cotton Duck Shipping Bags

- Keep your high volume loose change organized and easy to transport for deposit
- Ideal for banks, supermarkets, casinos, game arcades, toll collection, hotels, retail shops, vending machines, armored car, currency exchanges, Laundromats, and ATM machines

Cotton Duck Bags offer a sturdy and economical solution to organizing and transporting loose coins. Bags are made of sturdy 10-oz. canvas with double-stitched seams to hold extremely heavy coin loads without breaking. Both bag styles can hold larger capacities, offer great stability, and facilitate easy stacking. Secure bags one of two ways: **1)** close with Plastic Seals and Color-coded I.D. Tags for added security and easy denomination identification or **2)** secure with economical Canvas Tie Tapes (**231800006**). Bag color: natural.

C. Post Office Mail Bags

- Ideal for post office, mail rooms, rental offices, mail order catalog houses, government agencies, retailers, catalog fulfillment, and all mail-intensive businesses

Mail bags are constructed of 18 oz. Duck fabric, a rugged 2-ply water-repellent cotton canvas that is extremely puncture and wear-resistant yet flexible enough to fold up and store. Square bottom design ensures bag stands up even while holding extra-large capacities of bulk mail and small packages. Durable construction features include double-stitched seams, grommet rope gathers, and braided rope with plastic rope clip to secure contents. Bag price includes silk screen imprint (one color/one location). Size: 24"W x 34"H x 12"D. For additional security, upgrade to Metal Rope Clamp (**206030100**) and Padlock (**233000600**).
