A. Steel Suggestion Box – Desk Size

- Use this versatile box as a suggestion box, ballot box, ticket box, mail box, and more
- Ideal for retail stores, manufacturing plants, customer service counters, fitness centers, restaurants, or any business where customer service is a top priority

Box is perfect size to fit on desk, countertop or shelf and large enough to accept letter-sized notes. Extra-wide slot accepts materials up to 11-1/2" wide x 1/4" thick so it will accept most standard notes, forms, or ballots. Open shelf at bottom is ideal for holding blank forms, note pads, and ballots keeping everything organized and at the user's fingertips. Sturdy welded steel construction with scratch & chip-resistant finish that stands up to everyday use. Door-mounted disc tumbler lock keeps contents secure and comes with two keys. Cabinet door opens easily with full length piano hinge.

B. Steel Multi-Purpose Drop Box

- Perfect way to lock and secure suggestions, ballots, keys, mail, money, checks, deposit slips, receipts, and more
- Ideal for retail stores, rental management facilities, financial institutions, auto rentals, customer service counters, manufacturing plants, or any business where items need to be dropped at odd hours

Versatile enough to accept many different materials and built sturdy enough to keep them secure. Slot accepts materials up to 9" wide x 1/4" thick so it will accept almost any standard note, form, or ballot – even keys. Built-in storage compartment at top of box is ideal for holding blank forms, note pads, and ballots. Durable heavy-gauge steel construction with scratch & chip-resistant finish. Door-mounted disc tumbler lock. Box includes two keys. Cabinet door opens easily with full length piano hinge. Box can be easily and securely wall mounted almost anywhere with predrilled holes and mounting screws (included). Comes with adhesive labels and form templates to set up your custom applications.
