

## Keep drugs and medical supplies secure and prevent unauthorized access with these locking specialty cabinets!

*Ideal for hospitals, doctors offices, clinics, school nurses, rehab centers, or anywhere there's a need to keep valuable medical supplies secure*

### A-B. Medical Security Cabinets

- Cabinet has two locks keyed differently so contents cannot be removed unless two people are present to open the locks
- Provides enhanced security for peace of mind

Sturdy welded-construction cabinet is made of durable heavy gauge steel and scratch & chip-resistant finish that stands up to everyday use. Two door-mounted disc tumbler locks hold door securely closed and deter break-ins. Each lock comes with two keys. Cabinet door features full length piano hinge for easy movement. Pre-drilled holes and mounting hardware (included) for easy wall mounting (supplies not included).

Model No.	Description	Color	W	Dimensions		
				H	D	
<b>A. 2019065D03</b>	Large Cabinet	Sand	14"	17-1/8"	3-1/8"

### D. Multipurpose Box – First Aid / Spill Kit

- Keep important first-aid/spill kit supplies close at hand for emergencies
- Ideal for warehouses, sports complexes, doctors offices, fitness centers, school nurses, production facilities, homes, or any business where first aid/spill kits are needed

This cabinet is an ideal solution for storing first-aid supplies where you need them most. It can also be used as a spill kit in

industrial or manufacturing environments. Box can be easily wall mounted almost anywhere with predrilled holes and screws (not included). Sturdy cabinet is made of durable heavy-gauge steel with scratch & chip-resistant finish that stands up to everyday use. Large-capacity cabinet features one big compartment for easy viewing and stacking of your items. Cabinet door features full length piano hinge for easy movement and side latch keeps contents secure (supplies not included).
