

### A. Multi-Colored Key Rack

- Keep your keys organized and recognizable at-a-glance with colorful key tags
- Ideal way to organize key storage for home, office, file cabinets, cars, boats, motorcycles, snowmobiles, and more

Sturdy, plastic key rack mounts easily to wall with screws and features eight color-coded key rings with identification tags. For first-time set up, simply lift the cover of tag, write on the paper insert and snap it closed. Tags come in eight colors (white, purple, blue, green, yellow, orange, red, and magenta) and fit snugly and securely in rack – won't fall out.

Model No.	Key Capacity	Color	Rack Size			Tag Size

D

### D. 20-Key Rack

- Keep track of your "loaner" keys and organize your business
- Ideal way to organize key storage for home, office, or any medium-sized key-intensive business

Sturdy, lightweight, welded-steel 20-Key Rack is made with durable heavy-gauge steel with scratch and chip-resistant finish. Comes with 20 white numbered key tags and yellow "Out Key" control tags designed to keep track of keys that are loaned or in use and make sure they go back to the right key slot. Key tags with nickel-plated snap hooks fit snugly and securely in key rack – won't fall out. Mounting screws (included) for easy and convenient wall or door mounting.
