

Need Master Keyed, Dual-Control or Combination Locks on your cabinet?

Additional locks can be added to select cabinets to meet your individual security needs. Look for this  icon on select cabinets and information on lock options for individual cabinets. While Master Keyed and Keyed Alike locks can be equipped on all noted cabinets, Combination and Dual Control will be noted if available.

To order Master Keyed add **M** to Model No. before the last two digits of the Model No. listed. For example: **201901003** becomes **2019010M03**. For Keyed Alike add **KA**, Dual-Control lock add **D** and for Combination lock add **C**. Each lock change requires a \$24.95 charge; please add to price of each cabinet. Made to order; ships in 7 days. Sorry, returns will not be accepted on MTO products.

What Type of Lock Do I Need to Fulfill My Security Needs?

Disc-Tumbler Key Lock

Dual-Control Lock

Combination Lock

Type of Lock	Feature	Benefit	Security Level
Disc-Tumbler Key Lock	Standard Disc Tumbler lock	Each lock has its own key code, requiring its own key	Standard
Dual Control Lock	Both locks keyed differently or alike on request	Requires two keys to open	Enhanced
Combination Lock	Requires combination to open	No keys to maintain	Enhanced
Master Keyed Lock	One key can open multiple locks	Enables single user access to multiple locks with use of one key, while keeping access for others to a minimum.	Enhanced
Keyed Alike Lock	All locks open with one key	Multiple locks can be accessed with use of same key	Standard

Replacement Locks and Keys - when you just need a replacement lock or keys for your Steelmaster product – MMF makes it easy to replace what you need.

Refer to the list below of Key Cabinets, Drop Boxes, Security Boxes and Cash Drawers and Trays and find your product model number. The Lock Number listed to the right of the Model Number is the replacement lock number you will need to order. Replacement locks are \$24.95 each.
