

## Get rid of the clutter and improve your productivity!

### A. Steel Vertical Organizers

- Ideal for corporate offices, home offices, schools, and shared document storage for use by students, teachers, entrepreneurs, and at sales counters

Organize your work area and keep your "Top Priority" papers at your fingertips with these Vertical Organizers. Constructed of durable heavy-gauge steel with scratch and chip-resistant finish.

Available in 4, 5, 6, or 8-slot models for the right amount of storage to maximize valuable desktop space. Handles many combinations of files, forms, reports, sales orders, folders, proposals, and more. Rounded corners and tapered tops make loading and retrieval of documents fast and easy. Non-slip, non-mar padded feet.

### B. Steel Slanted Vertical Organizers

- Features ascending, vertical file compartments to make viewing of crucial work folders and documents as easy as possible

Organize your work area! Constructed of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to everyday use. Files and documents sit upright in compartments making it easy to read headlines and titles without taking papers out of organizer. Organizes files, folders, proposals, catalogs, sales orders, and more for optimal use of valuable desktop space. Features rounded corners and tapered tops to make loading and retrieval of documents fast and easy. Non-slip, non-mar padded feet.
