STEELMASTER

B. Steel Double Card File Drawers

Quality-constructed heavy-gauge steel cabinet with scratch and chip-resistant finish. Features two side by side, easy-slide drawers that hold approximately 1,500 cards each for maximum card storage capacity. Drawer door features a label holder for custom content identification and sturdy pull handle for easy opening and closing. Follower block with compressor lock in back of drawer keeps cards upright and in place even with small amounts of cards in drawer. Cabinets feature rubberized, non-mar feet to keep cabinet from slipping even when stacked. Available in three sizes to fit the most popular index card sizes.

C. Steel Posting Tubs

- Organize and store your documents before filing or archiving!
- Perfect for offices, schools, and businesses for transporting, sorting, and posting letter and legal-sized documents

Large storage capacity is perfect for purging outdated files and documents. Quality-constructed tub is made of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to heavy loads. Convenient carrying handles on both sides make transporting easy even with full, heavy loads. Features rubberized, non-mar strips on bottom to protect your desktops and countertops when loading files. Angled sides make it easy to flip through folders when searching for files. Available in two sizes to fit letter and legal-sized documents.

A. Wedgy® Clipboard With Pen

- Ideal for office, school, sporting events or home especially for classes, seminars, meetings, evaluations, or taking notes

Constructed of precision-molded, durable ABS plastic and features a spring-loaded clip that accepts full letter-size pad of paper. Unique wedge shaped pen is attached with a virtually indestructible telephone-type plastic coil that extends to more than five feet, yet coils back to less than six inches. Versatile clip features a middle slot that holds a pencil securely (included). Pen features a metal tip that unscrews for quick and easy refills. Wedgy pens use standard ballpoint refills (sold separately on page 29).

Model No.	Ink Color	Point Thickness
258470004*	Blue	Medium

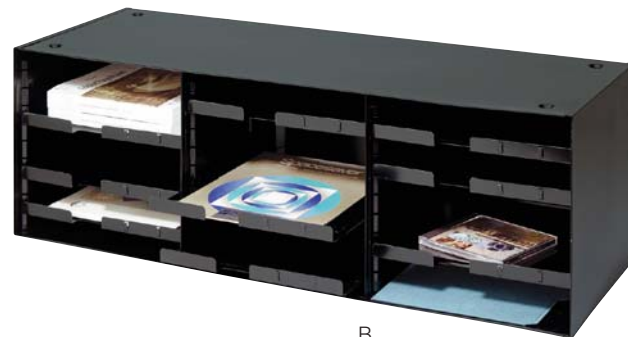

*Full color retail packaging.

B. Sorting & Distribution Rack

- Shelf heights can be adjusted to fit your needs. Versatile rack is perfect for a filing, sorting, and collating center
- Perfect as a mail center or for multi-user access to literature, forms, shipping supplies, training manuals, or binders

Features nine pull-out shelves that adjust to form a combination of 12 one inch or two inch high compartment openings. Versatile shelves adjust to 1" on center slots to fit thick books, binders, or manuals or order additional shelves for uniform compartment sizes that can serve as a mail center for teachers, doctors, or departmental employees. Pull-out shelves allow easy access when loading or retrieving contents and feature label holders so you can customize content identification to fit your needs. Quality-constructed rack is made of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to everyday use.

A. Steel Wall Files – Letter Size

- Ideal for storing file folders, hanging files, magazines, catalogs, printouts, clipboards, patient charts and much more
- Perfect for offices, schools, doctor's offices, hospitals, and home offices where files and materials need to be accessible to all

Will accept many letter-sized printed materials up to 1" thick and are the perfect size to accept hanging file folders. Quality-constructed files made of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to everyday use. Files feature extra-large pockets that hold up to 22% more items than plastic pockets. Expandable files come standard with three pockets but you can expand capacity by adding pockets as your needs change. Versatile mounting options include wall or wood door mounting with hardware and easy-to-follow instructions (included) or hang on panels, partitions, or doors up to 3-3/4" thick with hanger adapter (included). Easy to assemble.

B. Message File

- Prompt returned calls are essential to any business. Set up your message center in lobbies, reception areas or common departmental areas
- Ideal for corporate offices, busy homes, schools, doctors offices, financial institutions, and sales counters

Organize your phone messages all in one place with this seven-compartment message file. Small 6" W x 5" H x 1" D message compartments are the perfect size to hold smaller-sized messages and notes. Constructed of durable heavy-gauge steel with scratch and chip-resistant finish that stands up to everyday use. Features rounded corners for easy message retrieval and non-slip, non-mar padded feet to provide a scratch-free, secure grip.
