

**MMF Counter Security Pens are made strong to deter theft and stay put!**

- Ergonomically-designed pens are tamper, theft and damage-resistant!

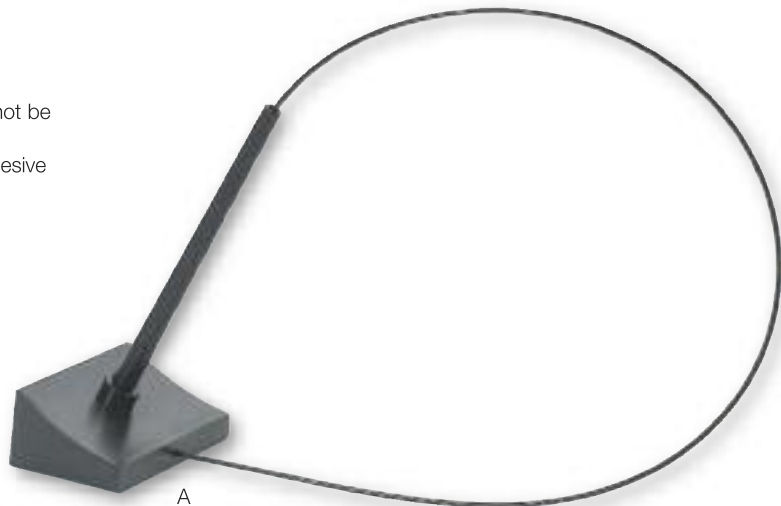

Durable anodized aluminum pens feature a tapered barrel. Unique locking sleeve discourages attempts to dismantle it, yet can be easily unlocked without special tools for refills. Damage-resistant, spring-loaded tip retracts into pen if hit against a hard surface. Sturdy base mounts easily with double-backed adhesive to any clean, hard surface.

**Kable**®, **Sentry**™ and **Re-Trac-To**™ pens use Jumbo Jogger refills. Refills are available (sold separately). Sold 1 pen per box.

**A. Kable® Base and Pen Set**

Flexible 23" nylon-coated aircraft cable is so strong it cannot be severed by ordinary tools. 3"W x 2 1/8"D x 1 1/4"H black aluminum base affixes to counter with double-backed adhesive or hidden screw.

Model No.	UPC Code	Ink Color	Point Thickness
