secures lock to bag.
No gaps around
lock to permit
wrongful entry.

Pick-resistant metal
zipper. Strong, nylon
zipper tape. Easy-grip,
molded zipper pull.

Reinforced seams
add strength and
prevent raveling.

The Most Secure Lock in the Industry

Businesses that take security seriously prefer the 7-Pin lock. The seven pins inside the tumbler make the lock virtually pick-resistant.

The lock is unique because the key cannot be released until the lock plunger is pressed down. This feature prevents users from accidentally locking their keys inside the bag.

Locking Security Bags

Color Charts

A. 7-Pin Security Bags

- Ideal for banks, check cashing services, credit unions, currency exchanges, retailers, supermarkets, or any business

Bags store and protect coins, currency, checks, deposit tickets, valuables, or any important documents. 7-pin tumbler makes this lock virtually pick-proof providing maximum security to bag contents. Unique lock feature prevents the key from being released until the plunger is pressed down preventing users from accidentally locking their keys in the bag. Built-in key is keyed differently with no master key. Durable fabrics and quality double-stitched seams ensure these bags stand up to daily abuse as well as the impact of the night deposit drop. Pick-resistant metal zippers and vinyl-reinforced corners help prevent wrongful entry. Framed acrylic I.D. window is ideal for business card or address card (included). Bag price includes silk screen imprint (one color/one location). Fabric color choices on page 72.

Model No.	Fabric	Bag Size		Imprint Area	
		W	H	W	H

Embroidery available at additional charge (add Model No. 2339007. For options see page 73)

Additional locking options are available (see below). Two keys supplied with each bag, ideal for multiple bag users. Master-keying option reduces the number of keys to maintain.

A

B. 7-Pin Rugged Security Bags

Same as the Standard 7-pin bags but features heavy-duty vinyl strip for additional protection around the lock and zipper; and vinyl skirt reinforces bottom for increased durability. Two keys are supplied with each bag, ideal for multiple bag users. Standard lock is keyed differently with no master key. Color choices as listed.

A. Key-Free Security Bags

- Allow users to process the day's receipts, lock bag, then turn over contents to the cash management office where contents can be retrieved
- Ideal for banks, retail stores, trucking companies, supermarkets, tollway authorities, casinos, and amusement parks

Bags create control measures for businesses where management prefers to retain all bag keys. Use to process and store coins, currency, checks, deposit tickets, valuables, or any important documents. 7-pin tumbler lock makes this bag virtually pick-proof providing maximum security to contents. Unique vinyl straps allows user to work without accidentally locking the bag. Built-in lock is keyed alike. Additional locking options are available (see below). Two keys supplied with each bag.

Durable fabrics and quality double-stitched seams ensure these bags stand up to rough treatment and daily abuse. Pick-resistant metal zippers and vinyl-reinforced corners help prevent wrongful entry. Framed acrylic I.D. window is ideal for business card or address card (included). Bag price includes silk screen imprint (one color/one location).

Bags are available in a wide variety of colors and lettering options. Embroidery is available at an additional cost. Specify fabric color, silk screen ink color, embroidery color, and typeface when ordering.

2331220K	Laminated Nylon	16"	12"	11"	5-1/2"

Embroidery available at additional charge (add Model No. 2339007. For options see page 73).

- 1 Bag is given to user in an open position with no key.
- 2 User places vinyl strap around lock plunger so bag won't lock. At end of shift, strap is pulled over plunger and placed inside bag.
- 3 User zips bag and presses down plunger. Bag can now be returned to the cash management office. Contents are retrieved by authorized employee possessing the key.

Pop-Up Lock Bags

- Perfect as night deposit bag for banks or can be used as a security locking bag for any business
- Ideal for banks, check cashing services, credit unions, currency exchanges, retailers, supermarkets, and any business

Bags store and protect coins, currency, checks, deposit tickets, valuables, or any important documents. Six-wafer lock provides tamper-resistant security to bag contents. Built-in lock is keyed differently. Additional locking options are available (see below). Two keys supplied with each bag, ideal for multiple bag users. Master-keying option reduces the number of keys to maintain.

Durable fabrics and quality double-stitched seams ensure these bags stand up to daily abuse as well as the impact of the night deposit drop. Pick-resistant metal zippers and vinyl-reinforced corners help prevent wrongful entry. Framed acrylic I.D. window is ideal for business card or address card (included). Bag price includes silk screen imprint (one color/one location).

Available in choice of fabrics: Laminated Nylon (3-ply, 70-denier fabric with waterproof polyvinyl coating and cotton twill backing) or 18 oz. Duck (rugged 2-ply water-repellent cotton canvas is heaviest fabric available and is extremely puncture as well as wear-resistant).

Bags are available in a wide variety of colors and lettering options. Embroidery is available at an additional cost. Specify fabric color, silk screen ink color, embroidery color, and typeface when ordering.
