

Money Bags Seals & Seal Presses

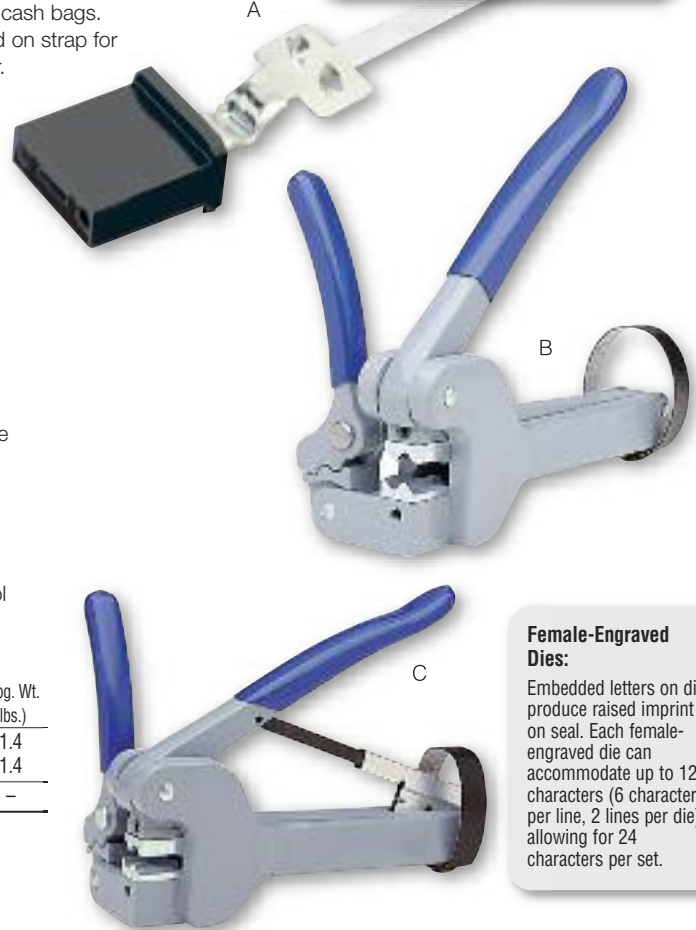

A. EZ Crimp® Plastic Security Bag Seals

- Easy-to-crimp seal is one of the strongest and most secure money can buy
- Ideal for money storage and transporting in banks, currency exchanges, and money delivery services

EZ Crimp® Plastic Security Bag Seals feature a specially designed black plastic head that crimps easily using Seal Press (2400030100 sold separately). Unique interior metal seam eliminates tampering after seal is crimped providing maximum bag security. Super strong polytape strap measures 5mm x 10" and provides over 200 lbs. of tensile strength. Embossed surface holds bags tightly closed and eliminates slippage. Versatile seal design will fit either cloth or plastic cash bags. Bag seals are available unnumbered or with six-digit numbers printed on strap for easy identification and added security. Sold 250 per box. Black color.

Customize to maximize identification and security!

B. Standard-Style Seal Press & Die

- Easy-to-crimp ergonomic design reduces operator fatigue

This strong yet lightweight press features a cast aluminum alloy frame that weighs only 15 oz. and the ergonomic design requires less pressure to crimp a secure seal so it can be used for long hours without operator fatigue. Press is smartly designed to make die changes fast and easy with 1/8" Allen Wrench (included). Chip and scratch-resistant gray finish with steel-reinforced wear points ensure years of trouble-free use. Easy-grip blue plastic handles keep the tool in your hand. Press design works with EZ Crimp® Plastic Seals. Gray color.

Model No.	UPC Code	Description	Shpg. Wt. (lbs.)
240030000	0 78541 24000 1	Standard Press with Female-Engraved Die Set	1.4
240030100	0 78541 24010 0	Standard Press with Plain Die Set	1.4
240030300	-	Replacement Plain Die	-

Female-Engraved Dies:
Embedded letters on die produce raised imprint on seal. Each female-engraved die can accommodate up to 12 characters (6 characters per line, 2 lines per die) allowing for 24 characters per set.

C. Ratchet-Style Seal Press & Die

- This Easy-to-crimp ratchet design will not release until seal is fully crimped

This strong yet lightweight press features a cast aluminum alloy frame that weighs only 15 oz. and a ratchet is added for extra muscle. Ratchet feature provides extra mechanical assistance in crimping and will not release until seal is fully crimped. Ensures uniform crimping every time. Press is smartly designed to make die changes fast and easy with 1/8" Allen wrench (included). Chip and scratch-resistant gray finish with steel-reinforced wear points ensure years of trouble-free use. Easy-grip blue plastic handles keep the tool in your hand. Press design works with EZ Crimp® Plastic Seals. Gray Color

Money Bag Seals

A. Plastic ATM Seals

- Seals attach quickly and easily and deter theft
- Ideal for use anywhere ATM machines are operated

Precision-molded of tough polypropylene. These colorful, easy-to-use seals help detect unauthorized entry into ATM cassettes, transit, and mail sacs, especially during long-distance transport. Seals provide a reliable deterrent to theft because tampering is evident if seal is broken. Universal design fits most ATM cassettes, adjusts easily to length, and requires no special tools to install. Sold 250 per pack.

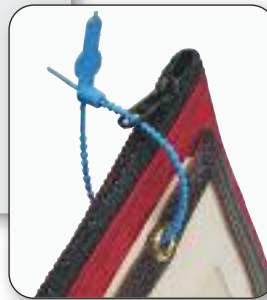

Model No.	UPC Code	Color
240057002	0 78541 05702 9	Green
240057007	0 78541 05707 4	Red
240057008	0 78541 05708 1	Blue

B. Numbered All-Purpose Plastic Seals

- Easily identifiable seals attach quickly and deter theft
- Ideal for transporting cash or checks; secure zippers, latches and more

Tough, easy-to-use polypropylene seals provide a reliable deterrent to theft when used with transit & mail sacs, meters, cash boxes, drums, and more. Molded-in seven-digit numbers are in random sequence, but without duplication to uniquely identify each package. Available in 8" lengths with five colors to choose from. Sold 250 per pack.

Model No.	UPC Code	Color
240054002	0 78541 05402 8	Green
240054007	0 78541 05407 3	Red
240054008	0 78541 05408 0	Blue
240054012	0 78541 05400 4	Yellow
240054016	0 78541 05405 9	Orange

C. Plastic Security Seals

- Seals attach quickly, easily, and deter theft
- Ideal for use in banks or offices when transporting transit & mail sacs, zippered pouches, or latched cash boxes

Tough, easy-to-use polypropylene seals keep transit and mail sac contents intact and confidential. Security seals provide a reliable deterrent to theft because tampering is evident if seal is broken upon arrival. To use on transit sacs, simply loop seal through grommet and zipper pull. Ideal for use in offices for intra-office transport of confidential or valuable contents. Sold 250 per pack.
