B. Electronic Key Safe **NEW!**

- Battery-operated electronic wall safe holds 48 keys

Made of durable heavy-gauge steel, with scratch and chip-resistant finish. The Electronic Key Safe will keep your keys and valuables safe and secure. Programmable, battery operated key pad eliminates the need for keys; a removable faceplate reveals a back-up key lock in the event of a power failure. The included black tags have write-on labels for quick and easy identification and organization. Batteries are included. Sand color.

C. 28-Key Hook-Style Cabinet w/Combo Lock

- Combination lock secures cabinet when not in use so no key is required

Cabinet comes with 28 hooks, white oval tags with clips, and labels. Heavy-gauge steel construction with scratch and chip-resistant finish that stands up to everyday use. Cabinet features full length piano hinge and small sturdy handle to make opening and closing a breeze. Versatile key hooks allow you to hang keys with or without key tags or hang multiple keys with key ring. Pre-drilled holes and mounting hardware (included), for easy wall mounting or attachment to partition hangers.
