

Speciality Key Boxes

A. Door-Mounted Key Box

- Use these boxes to give key access to authorized personnel at any time of day or night
- Ideal for after-hours key pick-ups at storage facilities, distribution centers, rental facilities, and warehouses

Box provides a secure solution for the convenient dispensing of keys to authorized personnel. Key box hooks over the top of any door up to 1-13/16" thick and top edge is screwed into top of door so mounting holes are hidden when door is closed. Key box is made of durable heavy gauge steel that keeps keys secure until retrieved. Door features disc tumbler lock so authorized personnel can conveniently retrieve keys at any time. Lock is keyed alike and comes with two keys. Zinc plated finish.

B. Drop-In Key Control Boxes

- Use these boxes to help prevent lost or stolen keys
- Ideal for after-hours key drops at rental facilities, fleet trucking depots, storage facilities, distribution centers, and warehouses

Boxes provide a secure solution for the convenient collection of keys. Employees, contractors or customers can drop keys into the slot opening on top of the box at any time of day or night. Tamper-resistant key box is made of heavy-gauge steel with scratch and chip-resistant finish that keeps keys secure until retrieved. Predrilled holes for easy mounting to walls, carts, or doors at any convenient location. Door features disc tumbler lock so authorized personnel can conveniently retrieve keys at any time. Comes with two keys and choice of lock configurations; keyed differently or keyed alike. Gray color.

Master keying available at additional charge. See page 24.
No returns on MTO products.

C. Emergency Key Boxes

- Easy access to this key could save time and lives
- Ideal for locked exit doors, storerooms with emergency equipment, or anywhere emergency key access is needed

Boxes feature a bright red finish that's easy to spot in an emergency. Keys can be obtained during an emergency by breaking glass with hammer that is attached with a chain to the key box. Glass is easily replaced so box can be reused again. Durable heavy-gauge steel construction. Door features disc tumbler lock so authorized personnel can access key in non-emergencies. Comes with two keys and choice of lock configurations; keyed differently or keyed alike. Predrilled holes and mounting hardware included for easy wall mounting. Red color.
